

GOOD
DIRECTIONS

WEATHER VANES

The Perfect Finishing Touch

Good Directions Weathervanes:

- Handcrafted from pure 22 gauge copper and brass to withstand the elements and last a lifetime
- Includes a weathervane figure, solid brass directionals, copper globes and assembly rod
- Our exclusive Single Point ContactSM design allows our weathervanes to spin easily in the wind
- Heirloom quality and have a Lifetime Warranty
- Easy-to-assemble and install with both video and print instructions
- A 401AL Roof Mount is recommended for most weathervanes, sold separately. See page 18 for all mounting options.
- The pure shiny copper will age naturally over time. To preserve the shine, we recommend using Incralac Lacquer Spray, page 18.

Our Weathervanes Come in 3 Sizes

Materials and Finish

Good Directions Weathervanes are forged in copper and brass.

The assembly rods are made of black powder-coated steel.
